RE: Request to exceed 90 day storage timeframe
Cedar Chemical Company
EPA ID Number ARD990660649; AFIN 54-00068

Dear Ms. Beck:

The Arkansas Department of Environmental Quality – Hazardous Waste Division (ADEQ) has reviewed the February 29, 2008 request to allow the one 55-gallon drum of Investigative Derived Waste (IDW) of purge water to exceed the 90 day storage allowance. Provided all IDW waste is containerized in appropriate containers in good condition, labeled appropriately, and maintained within a secured area of the site the request to store the IDW waste on-site until July 31, 2008 is approved.

If you have any questions or need additional information, please feel free to contact Tammie J. Hynum of my staff at (501) 682-0856 or hynum@adeq.state.ar.us or myself at (501) 682-0831 or at benefield@adeq.state.ar.us.

Sincerely,

J. Ryan Benefield, P.E.
Hazardous Waste Division Chief
